Activity

Bristol Repair Cafe – Bedminster

What do you do with a chair when the leg has come loose? With a toaster that no longer works? Or a woollen jumper with moth holes? Toss it? No way!

You can repair it at the Repair Café!

Volunteers with expertise and skills to share offer free help with repairing faulty or broken appliances [eg CD player, toaster, phone], toys or bikes, clothing or textile repairs, or help with getting to know how tools or appliances work such as a new phone or sewing machine. They see themselves as neighbours helping neighbours as well as saving money and reducing waste. It's also somewhere where people can just drop in and have a chat. Coffee and cake on sale

We meet between 13:30 and 16:30 on:

Last Saturday of every month at the United Reformed Church, Bedminster, BS3 3PG

'Last orders' for repairs at 16.00, please.

We recommend you turn up when the cafe starts to have the best chance of having your item fixed. Also please bring any accessories that are needed for the item to work so we can check them also (e.g. Charger for a laptop)

Find out more on our BS3 Repair Cafe [Facebook](#) page

We have Repair cafes in various parts of the City. To find your nearest one click [here](#)
