Lymphoedema Support Network

The LSN is a national charity that provides information and support to people with lymphoedema. We run a telephone helpline, produces a quarterly newsletter and a wide range of fact sheets, and maintains an up-to-date website. We work to raise awareness of lymphoedema and campaigns for better national standards of care.

Bristol and District Lymphoedema Support Group

Patient-led support group for people with primary or secondary lymphoedema in the Bristol area.

We always welcome new faces, and would be delighted to hear from you.

We meet four times a year for a relaxed mix of shared experiences and lymphoedema news.

The group can be contacted on
