

Goatman & Batham Opticians

We are an independent Optometrists and Contact Lens Practitioners based in Bristol. Established in 1935, we have been providing excellent eye care to locals for over 75 years.

Your vision quality and eye health are our priorities. We offer private and NHS eye examinations for adults and children including fitness to drive and overlay tests. Plus, you can depend on us to assist with your contact lens fitting, solve your lens problems and re-glaze or repair your spectacles.
