GO GENTLE

Go Gentle is a series of relaxed gigs at Exchange. The gigs will feature a combination of touring bands and local performers. They will be cosy, with reduced capacity, a variety of furniture, and much more, to make them inclusive to everyone.

Full info can be found here: <https://exchangebristol.com/info/go-gentle-shows/>

We wanted local accessibility groups to have the opportunity to share the ticket information before we put it on general release, as aim of the relaxed performances is to prioritise people who might feel unable to attend the venue when it is very busy.

For our secret links please go to [Katy J Pearson](#) or [Lande Hekt](#) for information and to book tickets. The tickets will then go on general release next week.

Several of our staff have received Personal Assistant training, and we have the silver charter award from [Attitude is Everything](#), but if you have any access queries, or concerns around [covid](#) please email iwan@exchangebristol.com.

We hope to see you there!
